DESCRIZIONE CAPITOLATO / SPECIFICATIONS / DESCRIPTION / BESCHREIBUNG

Le ante scorrevoli EVOLINE<sup>3</sup> con binario incassato rappresentano una scelta d'arredo funzionale e stilistica, particolarmente adatte a chiudere cabine armadio o celare delle nicchie. Grazie alla notevole versatilità che le contraddistingue le ante scorrevoli con binario incassato possono essere realizzate nella versione a due, a tre o a quattro ante a seconda delle esigenze specifiche. Il cliente può così ottimizzare gli spazi conferendo al proprio ambiente un tocco raffinato e personale. Il binario è invisibile, poiché incassato nel soffitto, e si compone di un profilo in legno multistrati a cui vengono applicate 2 pre-binari in alluminio colore bianco a polveri e 2 binari telescopici in alluminio anodizzato argento. Le ante scorrevoli hanno uno spessore di 32 mm o variabili e possono essere dotate di spazzolini antipolvere garantendo una chiusura ottimale. Le ante possono essere fornite grezze, con trattamento di fondo, oppure laccate opache o uniformante sabbia.

### IN SINTESI

- binario in alluminio da incassare nel soffitto
- pannello spessore 32 mm

The EVOLINE<sup>3</sup> sliding panels with a rail built into the ceiling is a functional and stylish design solution, ideal for closing wall wardrobes, walk-in closets and other niches the customer would like to hide.

These sliding panels are extremely versatile. According to the specific requests the closing system can be manufactured with double, three or four panels. Customers can therefore optimize spaces giving interiors an elegant personal touch. The rail is not visible because it is cashed in the wall. It is made of a multilayer wood profile and 2 silver anodized aluminium guides. The sliding panels are 32mm thick; they have gaskets, which protect from dust and grant a perfect closure. The sliding panels can be ordered raw, with a priming treatment or matt lacquered.

### SUMMARIZING:

- aluminum rail to be built into the ceiling
- 32mm thick panel

Les vantaux avec un rail encastré dans le plafond sont une solution de design chic et fonctionnelle. Ils sont utile spécialement pour fermer des niches ou des dressings. Ce système de fermeture est très flexible: il peut être réalisé avec deux, trois ou quatre panneaux pour s'adapter aux exigences spécifiques. Le client peut ainsi optimiser et personnaliser l'espace disponible . Le rail est invisible car encastré dedans le plafond et se compose d'un profilé en bois multicouche et de 2 guidages en aluminium anodisé. Les panneaux ont une épaisseur de 32mm et ils ont des brosses étanches à la poussière, en assurant une fermeture optimale . Il est possible de commander les portes en panneau brut, pré-peint ou laqué mat.

### RÉSUMÉ:

- rail de coulissolement encastré dans le plafond
- un panneau de 32 mm d'épaisseur

Die Schiebe-Türblätter mit einer eingebauten Gleitführung sind eine funktionale Einrichtungslösung, die für Wandschränke und Schrankräume besonders geeignet ist. Dank ihrer Vielseitigkeit kann dieses Schließsystem nach Anfrage mit 2, 3 oder 4 Türblättern hergestellt werden. Auf dieser Weise kann der Kunde den Platz optimieren und gleichzeitig die Räume personalisieren. Die in die Decke eingebaute Gleitführung ist unsichtbar. Sie besteht aus einem Mehrschichtholzprofil, auf dass 2 anodisierte Aluminiumschielen montiert werden. Die 32mm dicken Schiebetürblätter sind mit einer Dichtung gegen Staubeintritt ausgestattet. Sie können roh, grundiert oder mattlackiert bestellt werden.

### ZUSAMMENFASSUNG:

- Aluminiumgleitschiene, die in Decke eingebaut wird
- 32mm-dicke Türblätter

## ACCETTAZIONE ORDINI

Tutti gli ordini trasmessi si intendono accettati esclusivamente mediante l'invio al Committente della relativa conferma d'ordine da parte della Falegnameria Serrana; gli stessi vengono accettati alle condizioni generali di vendita in essere. La possibilità di effettuare aggiunte agli ordini già trasmessi è condizionata allo stato di evasione dell'ordine e deve essere di volta in volta verificata contattando il nostro Ufficio Commerciale. Qualsiasi modifica o risoluzione consensuale deve essere fatta per iscritto.

## PREZZI

Il presente listino prezzi sostituisce integralmente ogni listino precedente; i prezzi riportati sono espressi in Euro, IVA esclusa e si intendono al pubblico.

## MODIFICHE AI PRODOTTI E VALIDITÀ DELLE INFORMAZIONI

La Falegnameria Serrana segue una politica di costante miglioramento del prodotto, pertanto disegni, dimensioni, finiture sono indicati riservandosi il diritto di modifica senza preavviso. I dati e le immagini riportati nel listino

prezzi ed in tutta la documentazione tecnica sono quindi da ritenersi validi salvo errori di stampa ed eventuali modifiche da parte della Falegnameria Serrana.

## TERMINI DI CONSEGNA

La Falegnameria Serrana si impegna a consegnare la merce ordinata entro i tempi previsti dalla casa o alle date concordate con il Cliente. La data di consegna ha tuttavia valore indicativo, quindi nessuna garanzia, né alcun indennizzo sono dovuti per mancata o ritardata consegna nei suddetti termini.

## TRASPORTO

La merce, anche se spedita franco destino, viaggia sempre per conto, rischio e pericolo del Committente. Ogni responsabilità della Falegnameria Serrana cessa al momento della consegna della merce al vettore. Sarà interesse del Committente verificare lo stato e la conformità della merce al momento del ritiro, avanzando eventuale reclamo secondo le modalità riportate nel punto seguente.

## ORDER ACCEPTANCE

Orders will be deemed to be accepted by the company Falegnameria Serrana snc only by means of an order confirmation, on basis of the sales terms stated herein. No other terms and conditions shall be binding. Changes in the quantities or specifications of the requested goods will be evaluated by the seller according to the state of progress of manufacturing. The buyer has to inform in writing the Sales Department about variations of the order.

## PRICE

This price list fully replaces any other previous price list. The prices are expressed in Euros and they are exclusive of costs of carriage, VAT and any other applicable sales tax or duty.

## VALIDITY OF THE INFORMATION

The company Falegnameria Serrana snc relentlessly pursues continuous improvement, therefore drawings, dimensions and finishings are subject to alteration without prior notice. Drawings and information given are

deemed valid, until updating occurs. While the company strives to provide accurate product information, pricing or typographical errors may occur. We take reservations on eventual typing-/printing errors.

## DELIVERY

The company Falegnameria Serrana snc will make a good effort to complete delivery of the goods as indicated by the company in writing, but the seller assumes no responsibility or liability and will grant no backcharge for loss or damage due to delay or inability to deliver.

## SHIPMENT

All risks linked to shipment shall be borne to the buyer. Before accepting delivery, the purchaser must check the condition of the packaging and immediately notify the carrier and the company Falegnameria Serrana snc of any damage or any problem which has emerged during transport. Written claims for defects or damages shall be initiated following the procedure described in the next point.

## RECLAMI DA CLIENTE

**Non si accettano reclami sulla conformità del prodotto o smarrimento dello stesso, oltre 60gg dalla data di ricevimento merce.**

## GARANZIA E RESPONSABILITÀ PER PRODOTTO DIFETTOSO

La Falegnameria Serrana garantisce il proprio prodotto come immune da vizi e difetti che lo rendono idoneo all'uso cui è destinato o ne diminuiscono in modo apprezzabile il valore; tale garanzia è subordinata alla corretta installazione, manutenzione ed all'uso appropriato dello stesso. Nel caso siano accertati nei tempi e secondo le modalità previste\* i vizi, difetti o il mal funzionamento di cui ai punti precedenti, la Falegnameria Serrana si impegna, a sua insindacabile scelta, alla eliminazione e/o correzione e/o sostituzione delle parti difettose solo se le stesse siano imputabili al produttore. Nel caso in cui il prodotto non possa essere riparato o sostituito, la Falegnameria Serrana sarà tenuta al risarcimento del danno per un importo non superiore al prezzo dell'articolo venduto. Se il Committente verifica che al momento dello scarico della merce l'imballo è stato danneggiato, può accettare la stessa con riserva di verifica solo previa documentazione fotografica dello stato dell'imballo quando è ancora nel mezzo del trasportatore, per documentare che il danneggiamento dell'imballo è dovuto al trasporto e non si è verificato successivamente presso i locali del ricevente. Se, invece, l'imballo risulta integro, tuttavia, una volta rimosso, il Committente appurà che il prodotto presenta vizi o difetti, eventuali contestazioni da parte sua devono essere documentate con prove fotografiche. In ogni caso, eventuali reclami devono essere fatti pervenire presso la sede della Falegnameria Serrana per mezzo fax, e-mail o lettera raccomandata non oltre l'ottavo giorno dal ricevimento della merce da parte del Committente. Se entro tale data

non viene presentato alcun reclamo, i prodotti si intenderanno accettati dall'Acquirente. Eventuali resi di merce devono essere preventivamente autorizzati per iscritto dalla Falegnameria Serrana.

## PAGAMENTO

Qualora venga concordato un pagamento dilazionato, i termini di pagamento sono da ritenersi essenziali, pertanto il mancato o ritardato pagamento comporta la decadenza del beneficio del termine ai sensi dell'art. 1186 c.c. dando facoltà all'altra parte di poter agire per il recupero dell'intero credito. Nell'ipotesi di ritardato pagamento, verranno addebitati al Committente gli interessi di mora nella misura del tasso ufficiale di sconto aumentato di 3 punti. Interessi di mora decorreranno dalla data di ricevimento del debitore di diffida inviata con raccomandata A/R. In caso di insoluto o comunque nel caso in cui la posizione commerciale del committente sia variata, anche a seguito di protesti elevati a suo carico, la Falegnameria Serrana si ritiene autorizzata a sospendere l'esecuzione delle forniture in corso o ad annullare i contratti con facoltà di rivalsa dei danni subiti. Qualsiasi contestazione non darà il diritto al Committente di ritardare o rifiutare il pagamento.

\* (La responsabilità del venditore opera per un periodo di 2 anni dal momento dell'acquisto, o meglio della avvenuta consegna. Il consumatore ha l'onere di comunicare al venditore l'esistenza del vizio o del difetto di conformità del bene entro 2 mesi dalla data della sua scoperta. La comunicazione non è necessaria solo se il venditore ha riconosciuto l'esistenza del difetto o l'ha nascosto. Di fatto, quindi, la garanzia opera per 26 mesi dalla data di acquisto.)

## CLAIMS

**The company Falegnameria Serrana snc does not accept claims about the conformity of the product or about the loss of it, over 60 days from the date of its receipt.**

## WARRANTY AND RESPONSIBILITY FOR DEFECTIVE PRODUCTS

The company Falegnameria Serrana snc guarantees its products against defective materials and or poor workmanship. This guaranteee assumes correct use of the product by the purchaser and is therefore not applicable to eventual damage due to wrong installation, improper use or to negligence. In case that some defects or some malfunctions are detected,\* , the company Falegnameria Serrana snc, at its irrevocable option, will repair or replace the defective goods by only when found and proved defective for vice of material or manufacturing. The company will do that within the time and the way defined and in case that these defects or malfunctions belong to the above mentioned situations. If the product can't be replaced or repaired the refund will be limited to the price of the good stated on the invoice. The buyer shall inspect the goods immediately upon delivery. In case of any defect or damage to the good's packaging the buyer has to accept the product with reserve of control, putting a written notice on the driver's documents detailing in full the nature of the damage and the number of goods affected. A photographic proof of the goods in the deliver's means of transport will be needed to testify that the damage occurred during shipment and not at the buyer's premises. If, on the contrary, the packaging looks undamaged but the content is faulty the

buyer can initiate a claim contacting in writing the company Falegnameria Serrana snc. Claims must be accompanied by photographic proofs and must be sent by mail, fax or by a registered letter by priority post. If the buyer shall fail to so notify the seller, within 8 days after the goods have been received, such goods shall conclusively be deemed to conform to the terms and conditions thereof. No goods shall be returned without a prior company's authorization.

## PAYMENT

In case of delayed payment, the company reserves the right to charge interests at the Official Current Bank Rate (Prime Rate) increased by 3 points. Furthermore the company Falegnameria Serrana snc reserves the right to stop deliveries or cancel orders already accepted, when payments are not made within the fixed terms. All supplied goods are considered Falegnameria Serrana's Property until the whole amount due to Falegnameria Serrana snc, including any other relevant cost is paid off.

\* (The seller's responsibility is valid until 2 years, starting from the purchase, i.e. from the delivery. The buyer's responsibility is to inform the seller in case that a vice or a defect of material or a defect in the conformity of the goods is detected. This must be done within 2 months starting from the detection of the defect. This responsibility of the buyer isn't valid, if he has recognized the existence of the defect or if he has hidden it. This means that in fact the guarantee is valid for 26 months starting from the date of the purchase)

## RECLAMATIONS DU CLIENT

**On n'accepte aucun réclamation sur la conformité du produit ou sur son perte, après plus de 60 jours dès la date de réception de la marchandise.**

## GARANTIE ET RESPONSABILITÉ DU PRODUIT DEFECTUEUX

Le vendeur est tenu de la garantie à raison des défauts cachés de la chose vendue qui la rendent impropre à l'usage auquel on la destine, ou qui diminuent tellement cet usage que l'acheteur ne l'aurait pas acquise, ou n'en aurait donné qu'un moindre prix, s'il les avait connus. La garantie du vendeur est limitée à la réparation, au remplacement ou à un remboursement en valeur des marchandises reconnues défectueuses par le vendeur, en tenant compte de l'usage qui en a été fait et ceci au libre choix du vendeur. Le remboursement s'effectuera exclusivement pour un montant identique à celui colis sont endommagés ou déjà ouvert émettre immédiatement des réserves écrites précises sur le bulletin de livraison du transporteur avec la photo des boîtes dans le camion du transporteur, comme preuve que la marchandise a été endommagée pendant son transport et pas après, chez le récepteur. En cas où l'emballage est intact mais après enlevé l'Acheteur s'assure que le produit a des défauts ou des vices, il doit documenter ça avec des preuves photographiques. L'avis éventuel des défauts de la marchandise doit être adressé par écrit avec

une photo de la marchandise au vendeur dans un délai préemptoire de 8 jours dès la réception de la marchandise, faute de quoi la marchandise sera considérée comme acceptée. Tout retour de marchandise nécessite l'accord préalable de Falegnameria Serrana.

## PAIEMENT

Les ventes de produits sont payables dans le délai. Toute facture impayée à son échéance porte de plein droit et sans mise en demeure des intérêts moratoires au taux depuis sa date d'échéance\* plus 3 pointes. Tout défaut de paiement confère au vendeur le droit de résilier les commandes en cours. Le vendeur se réserve expressément la propriété des marchandises livrées et désignées ci après jusqu'au paiement intégral de leur prix. Le présent contrat est soumis à la loi italienne. En cas de litige les tribunaux de Ancona seront compétents.

\* ( La responsabilité du vendeur est valable pour 2 ans dès l'achat ou mieux dit dès la livraison au client. Le consommateur a le fardeau de communiquer au vendeur l'existence de défauts et de vices de la marchandise dans 2 mois dès sa découverte. Cette communication ne se rend pas nécessaire dans le seul cas où le vendeur a reconnu l'existence du défaut ou l'a caché. Donc, en effet, la garantie est valable pour 26 mois dès la date de l'achat).

## KUNDENBEANSTANDUNGEN

**Die Firma Falegnameria Serrana snc akzeptiert keine Beanstandungen betreffs der Konformität des Produktes oder betreffs deren Verlust (auch zum Teil) , über 60 Tage nach Empfang der Ware.**

## GEWÄHRLEISTUNG

Für alle gelieferten Teile wird Gewährleistung in der Form übernommen, dass gelieferte Waren zum Zeitpunkt der Absendung frei von Material- und Herstellungsmängeln sind, die den Wert oder die Tauglichkeit der Ware erheblich mindern. Für Mängel oder Schäden, die durch ungeeignete oder unsachgemäße Verwendung, fehlerhafte Montage oder nachlässige Behandlung entstehen, wird keine Gewähr geleistet. Bei begründeter rechtzeitiger Rüge und nur wenn Materials- oder Herstellungsmängel nachgewiesen werden können ist die Firma unter Ausschluss aller anderen Ansprüche des Käufers zur Behebung des Mangels, zur Ersatz- oder Nachlieferung nach ihrer Wahl verpflichtet. Soweit die Firma aufgrund grob fahrlässigen Verhaltens unserer Organe zum Schadensersatz verpflichtet sind, beschränkt sich der Anspruch auf Schadensersatz in Höhe des vereinbarten Verkaufspreis. Es werden keine Beanstandungen betreffs der Konformität des Produktes akzeptiert, nach 60 Tage ab Empfang der Ware. Falls der Auftraggeber bei Empfang der Ware einen Schaden an der Verpackung entdeckt, kann er die Ware mit Reserve deren Kontrolle annehmen, aber nur wenn der Zustand der Verpackungen durch Photos bewiesen wird und sich die Ware noch auf dem Transportmittel befindet. Damit wird bestätigt, dass der Schaden durch den Transport verursacht wurde und nicht nachher, durch den Empfänger selbst. Falls die Verpackung auf keine Schäden hinweist, aber nach der Auspackung der empfangenen Ware der Auftraggeber feststellt, dass die Ware auf Laster und Mängel hinweist, müssen eventuelle Beanstandungen durch Photos bewiesen werden. Auf jeden Fall müssen die Beanstandungen schriftlich an die Firma Falegnameria Serrana snc per Fax, per E-Mail oder per versicherter

Brief zukommen, innert 8 Tage nach Empfang der Ware seitens des Auftraggebers. Falls innerhalb o.g. Frist keine Beanstandungen zukommen, wird die Ware als akzeptiert betrachtet. Eventuelle Rücknahmen der Ware müssen seitens der Firma Falegnameria Serrana snc schriftlich autorisiert werden. Die Zahlungsstermine sind einzuhalten. Hält der Besteller die vereinbarten Zahlungsstermine nicht ein, so hat er ohne Mahnung vom Zeitpunkt der vereinbarten Fälligkeit an Zinsen von 3 Punkten über dem jeweiligen Diskontsatz der Banca Italiana zu entrichten. Ist der Besteller mit einer Zahlung aus irgendeinem Grund im Rückstand, oder muss der Lieferant aufgrund eines nach Vertragsabschluss eingetretenen Umstandes ernstlich befürchten, die Zahlungen des Bestellers nicht vollständig oder rechtzeitig zu erhalten, ist der Lieferant ohne Einschränkung seiner gesetzlichen Rechte befugt, versandbereite Lieferungen zurückzubehalten, dies, bis neue Zahlungs- und Lieferbedingungen vereinbart sind. Falls der Lieferant keine genügenden Sicherheiten erhält, ist er berechtigt, vom Vertrag zurückzutreten und Schadensersatz zu verlangen.

## EIGENTUMSVORBEHALT

Der Lieferant bleibt Eigentümer seiner gesamten Lieferungen, bis er die Zahlungen gemäß Vertrag vollständig erhalten hat.

## GERICHTSSTAND

Gerichtsstand ist Ancona. Auf die Vertragsbeziehung ist ausschließlich das italienische Recht anzuwenden.

\* Die Verantwortlichkeit des Verkäufers gilt 2 Jahre, ab Einkauf der Ware, d.h. ab deren Anlieferung. Der Verbraucher hat die Pflicht, dem Verkäufer die Laster und die Mängel an der Konformität bekannt zu geben, innert 2 Monate ab deren Feststellung. Die Bekanntgabe ist nur dann nicht notwendig, wenn der Verkäufer den Mangel erkannt hat, oder es versteckt hat. In der Tat ist die Gewährleistung 26 Monate ab Einkaufsdatum gültig.
